Jack & Jason's Pancakes & Waffles

You and powdery substances have had a **rocky relationship**.

Make nice with Jack & Jason's Pancakes & Waffles, a line of all-natural, artisanal mixes concocted by two entrepreneurs in the **Dogpatch**.

Five classic flavors — original, blueberry, double **chocolate**, banana-walnut, and pumpkin-spice — use unprocessed ingredients such as unenriched whole wheat flour and grains from South San Francisco's **Giusto's Vita-Grain** and chocolate chips from **Guittard** in **Burlingame**.

Get a morning bump by mixing in milk, an egg, and a little butter, then **cook** in a stovetop skillet over medium heat. Voila: You've got a hearty, healthy breakfast.

You might get a sugar high, but at least there's no sweet love hangover.

Available at **Marina Supermarket**, 2323 Chestnut Street, at Scott Street (415-346-7470); **Falletti Foods**, 308 Broderick Street, between Fell and Oak Streets (415-626-4400 or [fallettifoods.com](http://fallettifoods.com)); online at [jackandjasons.com](http://jackandjasons.com), \$7-\$8.  **MAP IT**
